**6months Free Property Advertising
Plus
A Beautiful and Functional Real Estate Website For
Only N80,000.00
Plus
Opportunity To Win a 5.5KVA Generator**

Have you ever wanted to own your own website and:

- never knew where to start from,
- felt it will cost an arm and a leg
- never knew how much it will cost
- don't know whom to talk to
- worried about cowboy developers claiming to know what they do not know about
- never knew where their office is located or where to meet them
- concerned that the website will not work
- does not have an IT expert to maintain and update your website
- how much it will cost,
- scared that cowboy developers will take your money and run,
- Worried that when you need the developer most, you will not find him to help resolve the issues

Worry no more, because mynigeriaproperty.com team has answers to all of your concerns. Our team of expert web developers are here to help you with all your website issues.

For a paltry N80,000 (seventy thousand naira), you can now have a professional designed website within in 28days and an opportunity to win a 5.5KVA generator. Why Are We Doing This? What Is The Catch?

No there is no catch, the only catch is that we feel your pain with the situation in the industry and have therefore decided to make our little contribution to boost your business as well as ours.

We recognize that as a Real Estate Service company, providing advertising services to the Estate Agents, Developers and Other professionals, our success depends on your success, our profits depend on your profits and consequently if you fail, we fail too.

That is why we have decided to make this irresistible offer to help

- 1. Help jump start some businesses,**
- 2. Showcase your properties to the world**
- 3. Demonstrate our desire and willingness to be a positive contributor to the industry**
- 4. Make a positive contributor to the community we work in**
- 5. Hopefully expect some positive referral and feedback from beneficiaries or our generosity**
